2. Believe the briefing went well, with many questions  
raised and answered during the discussion that followed. [REDACTED]  
asked if General Maxwell of FAA or Boeing SST people had this  
briefing. We responded in the negative though pointing out that  
General Maxwell had received a program briefing a few years ago  
and had been instructed on procedures to acquire information from  
either the OXCART or SR-71 programs.
